

**Product Information Sheet****I703**  
**myo-Inositol**

Synonym: 1-Inositol; meso-Inositol; 1,2,3,5/4,6-Hexahydroxycyclohexane

CAS: 87-89-8

Formula: C<sub>6</sub>H<sub>12</sub>O<sub>6</sub>

Molecular Wt: 180.16

**Properties**

Form: Powder

Appearance: White Powder

Application: Vitamin

Solubility: Water

Typical Working

Concentration:

Storage Temp: Room Temperature

Storage Temp of

Stock Solution:

Other Notes: Plant Tissue Culture Tested

**Application Notes****References**

Merck 13, 5001

Revised 3/2007
