

## Product Information Sheet

**W783****Water, Tissue Culture**

CAS: 7732-18-5

Formula: H<sub>2</sub>O

Molecular Wt: 18.02

**Properties**

Form: Liquid

Appearance: Colorless, Clear Liquid

Application: Tissue Culture; Solvent

Solubility: Miscible with Water

Storage Temp: Room Temperature

Other Notes: Plant Tissue Culture Tested  
Sterile Filtered**Application Notes****References***Merck 13*, 10098**India Contact****Life Technologies (India) Pvt Ltd.**
